PRESIDENT'S MESSAGE

The 1992 Roster is another service for you as a BCCA member. It is published each year with updates printed in the News Report three times a year. It contains an alphabetical listing of all BCCA members with coding which tells something about how each member collects.

This Roster also lists the membership geographically, which I find a great help when I visit areas away from home. The Roster also contains a wealth of other information about the BCCA, our history and our Constitution and much more. Take some time to browse through this year's edition of the Roster. It has been put together under the leadership of Marcia Butterbaugh #6560 and the Roster Committee.

Note in this Roster the information about the many BCCA chapters. As President, one of my goals this year is to increase information about chapters. My interest in chapters has been strong for many years. I have always been active in several at-large chapters and my local chapter - since 1973 it's been Heart of Illinois Chapter #029. In the past few years, several new at-large chapters have been formed focusing on different areas of beer can and breweriana collecting. These chapters are relatively unknown to the average collector, and I'd like to see that changed. There have also been several chapters formed whose center is outside the United States. We welcome our fellow collectors from other lands, and we'd like to get to know you better.

If you have a change of address during the year, please notify the BCCA office as early as you can. We want you to receive all mailings including your News

Reports. And please remember to use your BCCA number when writing us and include your zip+4.

Here's to BCCA - Number One!

EDITOR'S COMMENTS

Here's your 1992 Roster. I hope you'll like the facelift it got, thanks to my new Macintosh computer and a desktop publishing program that I'm still learning.

Marcella Schinski supplied the cover idea and the cans that were used. I hope you'll enjoy seeing the many different sizes and shapes of foreign beer cans. Lew Cady did the photography and the design of the cover. We were fortunate to have the budget to print it in color, thanks to continued advertising support in the Roster.

Our Historian, Art Zerby, provided the 1991 history, and this year we added a separate listing of first place display winners from past CANventions. You'll find this section following the Bylaws and Constitution in the back of the Roster.

The chapter listings were prepared by Rusty and Darla Wyar and Jack Kellogg. Elaine Kellogg again designated the board member geographical responsibilities, and Donna Guseman proofread everything for me. The three membership sections (alphabetical, geographical and numerical) were handled by Greg Plumb, and this year you'll see that we were able to include the zip + 4 codes. Lonnie Smith printed and mailed the Roster from his company, Pressworks, in Denver, Colorado.

We are working on developing better ways to code collecting preferences. Currently, we have six digits to indicate size of collection and preferences, but no provision for brand specializations, such as Pabst, Schlitz, etc. Also, there is no code to indicate gallons, and no way to list specific breweriana interests such as mirrors, coasters or glasses.

One possible solution is to drop the spouse or the occupation columns to expand the space for the code column. Another would be to change the spouse or occupation column to a specialization column. Another solution would be to use both upper case and lower case letters in the code column, which would expand the codes by another 26 options. As collectors specialize more and more, it is important to have the opportunity to communicate specialities.

Something else that would be of benefit in the Roster would be the ability to cross reference collecting preferences by type and brand. If a collector specialized in Pabst, this would allow him/her to find other collectors with the same interest. Or if a collector only collected bock cans, he/she could find others who collected the same cans.

Hopefully in the next year some of these ideas will happen. Watch for information on this when you get your 1993 BCCA membership renewal.

Your comments and thoughts on the coding system are welcome. Please write me or the BCCA office. We will appreciate your input.

Happy collecting.

BCCA CHAPTER GUIDELINES

Over the past years our organization of beer can collectors has grown because chapters have been seeking new members from their area. Today, with a membership of over 4000, we have 100+ chapters around the country and abroad.

BCCA chapters are the backbone and strength of the national BCCA. Through chapters, the organization can solicit board members, committee members and future CANvention sites.

Chapters help promote the club on a local level and help members to have a greater voice in the national organization. Chapters also serve to provide a local source for collectors to actively participate in the hobby and to share information on a regular basis.

For continuity among chapters, the following guidelines have been set.

OFFICERS Chapters must have at least two officers as BCCA members in good standing. A minimum of 3 different officers are required, held by 3 different chapter members. The treasurer must be at least 18 years old. BCCA policy does not allow listing of names in the Roster if not a BCCA member. Officer terms should begin in conjunction with the national's fiscal year beginning October 1 and continuing through September 30 of the following year.

CONSTITUTION AND BYLAWS Each chapter must have a constitution and bylaws which are fashioned

after, and not to contradict the national BCCA. A copy should be sent to the BCCA office along with a new chapter application or whenever a change is made.

CHAPTER SIZE AND MEMBERSHIP The minimum size of chapters is set at ten (10) BCCA members. This requirement will be given consideration for certain areas or types of chapters, and may be waived in some instances. Chapters may have associate, or non-BCCA members. All members of the chapter need not be BCCA members at the time of the original chapter application. However chapter members are encouraged to become BCCA members at the time of chapter renewal. Chapters may wish to govern trial/associate membership by special chapter bylaws.

CHAPTER CODES Each chapter is given a code number at the time it is formed. The numbering system is in numerical order with the highest number being the most recent formed. The chapter codes are listed in the roster. Members may use the chapter number to indicate chapter affiliation in the Roster listing.

AT-LARGE CHAPTERS These special chapters are comprised of members throughout the country and are not bound by geographic locations. They provide BCCA members with a forum for communicating and exchanging information on a specialized area of collecting. At-large chapters should conform to the same requirements set forth for other chapters with the exception of geographical identity.

CHAPTER RECOGNITION Chapters in good standing will be listed annually in the Roster.

CHAPTER HEADQUARTERS A headquarter city should be designated and the area covered should be defined in terms of miles covered. (At-large chapters do not need to name a headquarters or specify area covered.)

CHAPTER RENEWALS Annually in the fourth quarter, chapters will be asked to update their chapter information to the BCCA vice president. This information will be compiled for the Roster chapter listing.

CHAPTER FEES All chapters will be charged a fee of \$10 due annually with the chapter renewal form.

CHAPTER RESPONSIBILITIES Chapter officers have the responsibility to see that local drinking laws are adhered to with respect to minors at all chapter sessions.

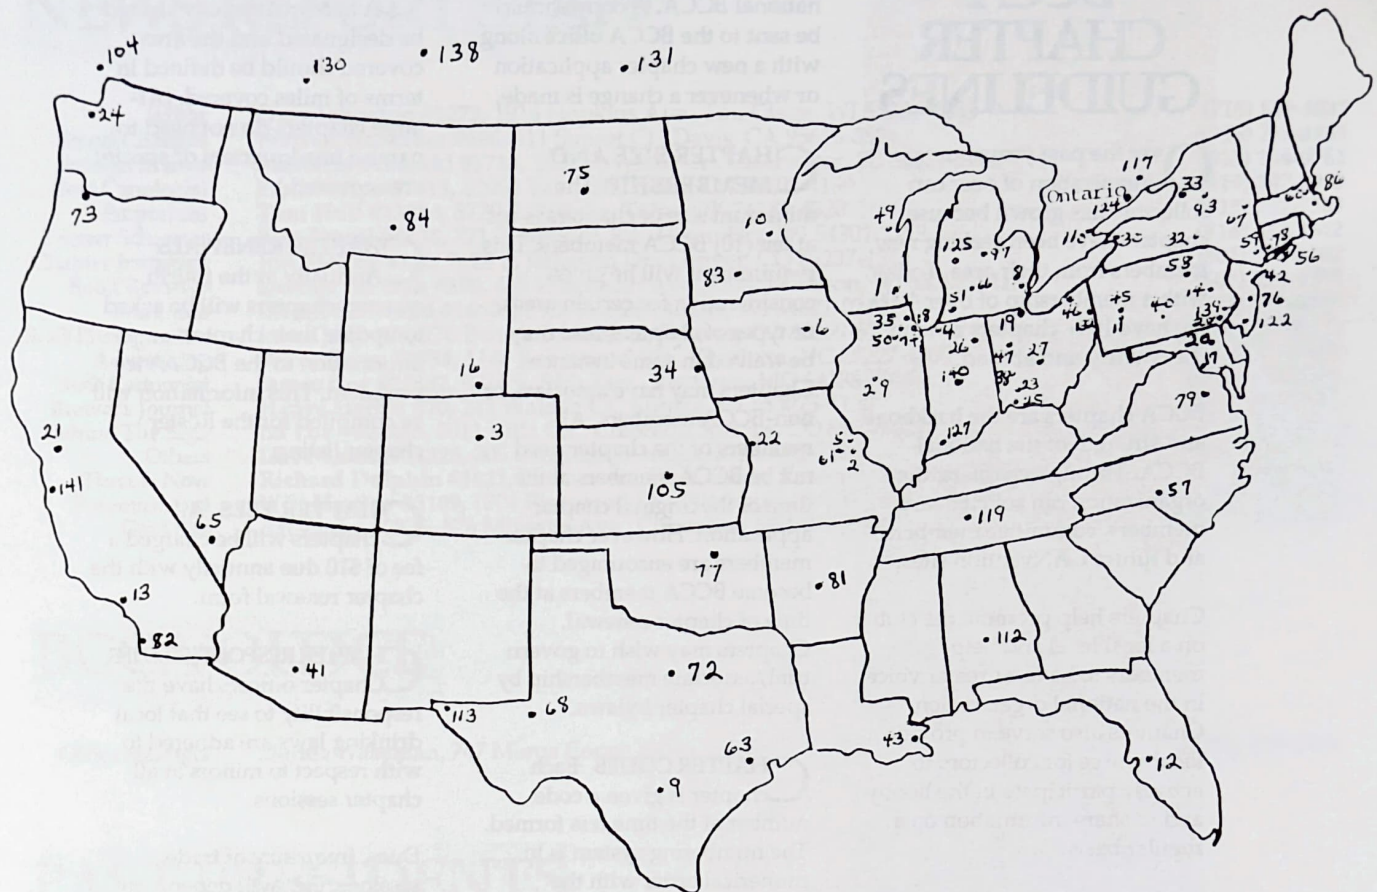

Dues, frequency of trade sessions, etc., will depend on individual chapters. The buying and selling of any beer can or other collectible item of breweriana shall be at the discretion of individual chapters for their own local events.

Chapters are asked to submit a list of all states which fall within their area (except At-Large chapters). A list of new BCCA members from those areas will be provided to the chapter to aid in soliciting new chapter members.

Chapters are asked to submit local newspaper and publicity stories that are published about chapter events and members to the BCCA office for inclusion in the historical records.

BCCA HALL OF FAME

The BCCA Hall of Fame was founded in 1983 as a means of honoring outstanding members of our club who contribute their time and efforts toward the advancement of the hobby either on a local or national level. Members who have unselfishly given their time and talents to the BCCA are nominated.

Nominees are submitted through BCCA local chapters. The top five candidates are featured in the May-June NEWS REPORT along with a ballot. Members may select any two of the five candidates.

To be inducted into the Hall of Fame a candidate must receive a 50% endorsement by the voting body. For example, if 200 members vote for two candidates, any candidate who receives 100 or more votes out of a total of 400 votes recorded, would be inducted into the Hall of Fame. In addition, the top vote-getter receives the "Denver Wright, Jr." award.

ERNIE OEST 1972, BCCA #108

Ernie began visiting breweries and collecting breweriana before a good many members were born. He is one of the most knowledgeable members of the BCCA on the subject of breweries and breweriana, both pre- and post-prohibition. Uncle Ernie no longer accumulates cans, but supports the BCCA in every way. His interest now has converted to his first love -- brewery labels. He has amassed one of the largest label collections in the world.

DENVER WRIGHT, JR. 1973, BCCA #1

Denver was BCCA's first president. He and five other collectors founded the BCCA in 1970. He collected only full cans. His collection was kept in sealed cabinets and was known as "The Denver Wright Foundation." He published the "Ye Olde Foundation Herald" depicting friends and other collections. He passed away in 1982. In honor of his memory, annually the Denver Wright, Jr. award is given to collectors receiving the most votes for the Hall of Fame.

CLAY TICHELAR 1974

Clay obtained a large collection of quart cone-top cans. He is no longer a member of the BCCA.

LARRY WRIGHT 1975, BCCA #2

One of the original six members, he was the coordinator, editor and publisher of the NEWS REPORT in the early years, as well as being the second BCCA president. His unselfish contribution of valuable time during this formative period of the BCCA helped to lay the foundation for the association we have today.

JOHN AHRENS 1976, BCCA #9

John, active during the early years of the BCCA, served as a BCCA board member and was the chairman of the 1976 CANvention. He also served as the Cincinnati CANvention chairman. According to the Guinness Book of Records, John was the owner of the world's largest collection. He has since decreased the size of his

collection. John has attended all BCCA CANventions.

LEW CADY 1977, BCCA #98

Our perennial photographer! Lew is a past membership and publicity chairman. He has made numerous contributions including photography for the BCCA's "Guide to U.S. Beer Cans" and has published two editions of the "Beer Can Collecting." In 1985 he received the special President's Award for his ten years of photography services on the Brand Changes Column. Lew continues to serve as the club's photographer and his "CANversations with Jim and Lew" column appears in every issue of the NEWS REPORT. He has attended all BCCA CANventions.

WALT HINTZ 1978, BCCA #85

Walt was one of the oldest BCCA members and had a large collection of cans and breweriana. Up until he passed away in 1987, Walt was an active trader and frequently went to trade sessions in his area. He was a generous trader and rarely ever turned down a trade. He was featured as "Collector of the Issue" in the May 1975 NEWS REPORT.

BILL CHRISTENSEN 1978, BCCA #33

Bill has been a tireless contributor to the BCCA since its beginning. He is a past BCCA board member and past editor of the "Can Close-Up" column in the NEWS REPORT. His continued interest in the NEWS REPORT has led him to present a cone-top can from his stock each year to a worthy NEWS REPORT contributor. Bill has attended all BCCA CANventions.

LONNIE SMITH
1979, BCCA #99

Lonnie was so honored for his work as editor and publisher of the NEWS REPORT for 5 years. He specialized in collecting one beer item (can or breweriana) from each brewery, pre- and post-prohibition, and has contributed a great deal to further the hobby of beer can and breweriana collecting. He has attended every BCCA CANvention.

JACK TURNER
1980, BCCA #65

Jack was the CANvention planner for ten years. His tireless efforts on behalf of the BCCA made it much easier for those who attended the CANventions. Jack has attended every CANvention, and in 1978 at CANvention VIII in Milwaukee, he received the special President's award.

“Highly Pleased”

—after several years’
use on four trucks

On March 30, 1915, the treasurer of the Phoenix Brewery, of Buffalo, N. Y., wrote The B. F. Goodrich Company as follows:

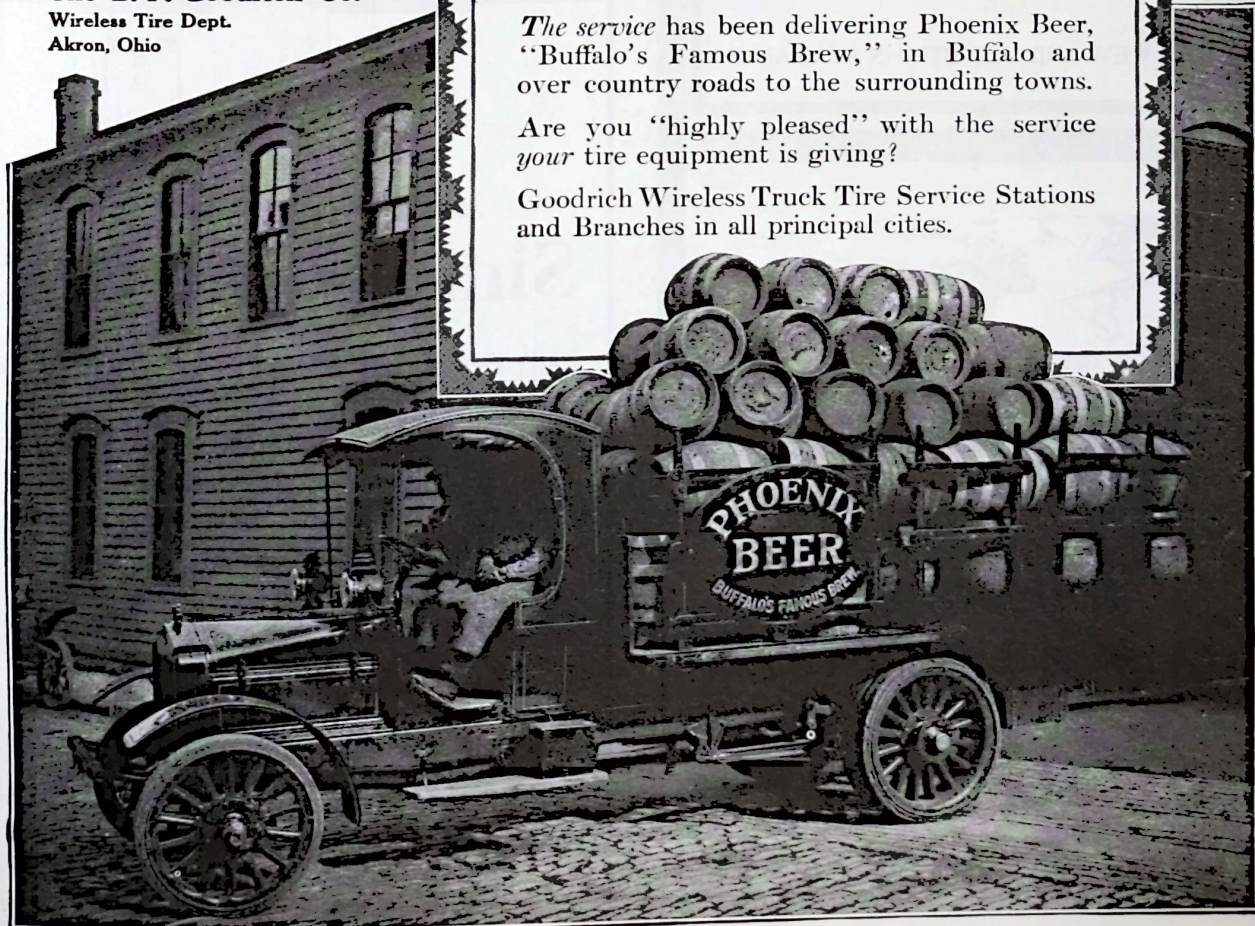

“We are pleased to confirm the assurances given you recently that we are more than pleased with the service of your Goodrich Wireless Truck Tires on our two five-ton Pierce trucks and two one-ton Electric trucks.

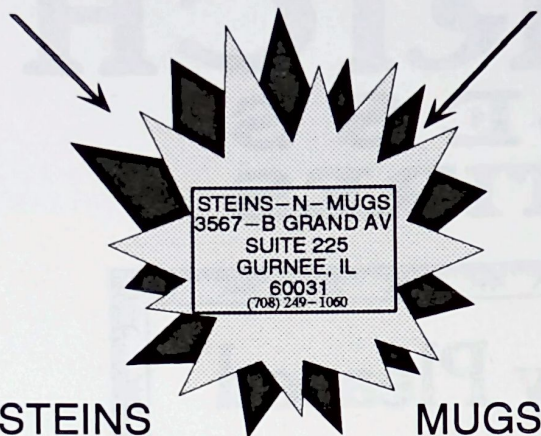

“During the several years that we have operated these various trucks we have never had occasion to call upon your company for any mileage adjustment; in all cases the tires, both front and rear, gave us considerably more than the mileage you guaranteed. We have used nothing but the Goodrich Tires upon all our trucks and would consider using nothing else. We are highly pleased with the service that they are giving us.”

The service has been delivering Phoenix Beer, “Buffalo’s Famous Brew,” in Buffalo and over country roads to the surrounding towns.

Are you “highly pleased” with the service your tire equipment is giving?
